## Financial Policy

Gerber Dental accepts most insurance policies, however we are only contracted with **Delta Premier**, and **Cigna PPO/DPPO**.

As a courtesy to you, we will submit your claims to the insurance company. Any fees not covered by insurance is the responsibility of the patient. Co-payments and deductibles are to be paid in full at the time of your appointment. It is imperative that you inform us of any insurance changes **PRIOR TO YOUR TREATMENT**.

Your insurance policy is a contract between you and your insurance company. It is your responsibility to know and understand your benefits. We are here to assist you with your benefits, but we cannot know all of the coverage limitations and rules of your plan. Please be aware that not all services are covered by insurance or may be considered at an alternate benefit. We recommend that you contact your insurance prior to having treatment done. A predetermination can be submitted on your behalf by the office, however it is not a guarantee of payment.

Office expenses, services and lab fees incurred prior to insurance approval and the start of treatment are the responsibility of the patient.

For patients without dental coverage, payment is due at the time of service, unless arrangements have been made with the office manager prior to services being rendered.

If collection efforts are required, all collection fees, attorney fees and court costs are the responsibility of the patient.
